

G&G Photo Paper, Transfers Dreams into Reality

Great for Every Printer

Friendly to The Forest

G&G High Glossy Inkjet Photo Paper

for everyday use

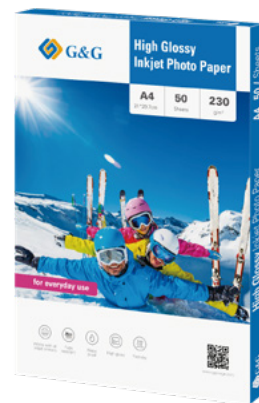

Image shown is for illustration purposes only.
Actual products may vary.

Waterproof, Durable

The good anti-moisture, fade-resistant performance of the coatings ensures the paper is well-protected and stored for generations.

Fast-drying, Fade Resistant

Instant-dry photos are fade and smear resistant so you can share bright and vibrant prints right off the printer.

Applications:

Photographs, posters, brochures, flyers, newsletters, advertising and other presentation documents.
